FLIGHT CREWS UNLIMITED ANNOUNCES APPOINTMENT OF CHAD HAMILTON AS GENERAL MANAGER

Flight Crews Unlimited is pleased to announce the appointment of Chad Hamilton as its General Manager. This builds on Chad's distinguished 22-year career with the United States Marine Corps and at senior levels in the private sector in the aerospace industry. Chad brings considerable aviation and leadership experience to Flight Crews Unlimited.

During his military career, Chad served as a helicopter pilot primarily crewing the AH-1W Cobra and AH-1Z Viper, deploying multiple times throughout the world. He has served as the Director of Safety and Standardization, Director of Operations (HMLA-169), and Commanding Officer (MAG-41 DET A, HMLA-775) at the squadron level and various other operational roles at the headquarters level. He served at the Naval Air Weapons Center, China Lake as both a Developmental and Operational flight test Project Pilot and Future Operations lead (NAWS, VX-9 and VX-31). He served as the Deputy Director Fleet Integration for the inception and integration of the TH-73 to Naval Flight Training (NAS Whiting Field). Chad has distinguished himself in his flying career, receiving multiple advanced qualifications. He is a graduate of the Marine Corps MAWTS-1 Weapons and Tactics Instructor course. Chad received a Bachelor of Arts from the University of Minnesota, Duluth and a Master's from the Marine Corps Command and Staff College. Upon his retirement from active duty, LtCol Hamilton joined Collins Aerospace (Raytheon Technologies) as a Value Stream Manager.

"I am honored to accept the role of General Manager at Flight Crews Unlimited and am grateful for the opportunity to contribute to its continued success in providing the highest-quality solutions in business aviation staffing," said Chad.

"We are fortunate that Chad has chosen to lead the team at Flight Crews Unlimited. I am confident that he will bring a deep understanding of operational excellence and leadership to enhance our ability to provide the support and services that our aviation customers require", said Glynn Williams, Chairman.
