Reliance Aerotech Has New Recruitment Number

Reliance Aerotech Services Inc. (RAS) announced the launch of a new, toll-free recruitment hotline, for aviation professionals to connect with recruiters from RAS. said Ron Jordan, general manager. “The new recruitment hotline bypasses our main menu to allow prospective employees to communicate directly with a recruiter when they call. It is another way for RAS to communicate the respect we have for the aviation professionals who work with us,” said Ron Jordan, general manager. Aviation professionals can contact Reliance Aerotech Services recruiters at 1-866-622-5086.
